**House Bill No. 3826**

by deleting all language following the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 37-1-506, is amended by inserting the following as a new subsection (c) thereto:

(c) The administrative office of the courts shall report to the chairs of the senate judiciary committee, the house children and family affairs committee, and the select committee on children and youth, by no later than January 15, 2007, the results of its study to develop an improved data collection method for juvenile court. The report shall include, but not be limited to, provision for the improved collection of information currently collected by the juvenile courts as well as provision for collecting additional information not currently collected such as information related to dependency and neglect proceedings. The report shall also include recommendations for any legislation that may be needed to insure that the data collected by the juvenile courts continues to be available for valid research purposes.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
